Presque Isle State Park’s Scout Day

Scout Day is designed to engage all scouts, boys and girls, ages 6–12 in an educational experience at Presque Isle State Park. It is our goal to give every scout the opportunity to appreciate the natural elements, in an active and interactive way, while gaining the skills and knowledge that will help them earn various badges, pins, achievements and more. Join us for a day to get in touch with the wild side of Presque Isle State Park!
